### **Devizes Child Contact Centre**

The Devizes Child Contact Centre enables children whose parents have split up to maintain links with the parent with whom they are not living by providing a safe neutral environment within which contact can take place - at a time when tensions between adults are often running high. The Centre is open one Saturday afternoon a fortnight and is run entirely by volunteers.

**Want to find out more? – Come to our informal AGM at St Andrew's Church on Monday 20<sup>th</sup> February at 7.30pm.**

We are particularly interested in people who might like to become volunteers, join the management committee or act as secretary to it.
